Vigorous Styles for Young Men
 There is a vast difference between the clothing requirements of the YOUNG MAN and those of his elders. He likes a certain indefinable breeze and snap to his apparel that is in keeping with his vigorous spirits and his pure and unrestricted enjoyment of life. That we bear these points in mind when serving the younger element of the trade, is the principal cause for our great success among them. The designers, cutters and tailors of the
CONTINENTAL TAILORING COMPANY, Chicago
 for whom we are exclusive representatives in this territory, are constantly studying the requirements of the young man (as we have just described them), and if you are seeking such service at reasonable prices, you can do no better than to pay us a visit. We carry their complete line on display, comprising over 4000 different patterns in the latest foreign and domestic woolsens.
